THE OPENWORK SHIRTWAIST.  
When fall arrives we'll surely miss,  
I'll wager every time,  
A lot of things that gave us bliss  
Throughout the summer time.  
We'll miss the lovely flowers in fall,  
We'll miss the picnics, too;  
We'll miss the birds, but most of all  
We'll miss the peek-a-boo.

We'll miss the pleasant trolley rides  
That out of town we took;  
We'll miss the strolls by ocean tides  
Or by the babbling brook.  
The shoes of white, so chaste and pure,  
Their absence we shall rue,  
But more than all you may be sure  
We'll miss the peek-a-boo.

## A MODERN PARADE

Mule With Fence Around Neck Comes to Town Yesterday

A sight never before witnessed in this city was a Sunday morning happening in the Fifth Ward.

About 9 o'clock, while the streets were lined with children on their way to Sunday-school, an old lop-eared mule came walking leisurely down Second street through the Fifth Ward and stopped at the water trough at Second and Commerce to get a drink.

He had evidently been in a pasture, as he had around his neck a panel of fencing, and the sight caused much merriment from those who witnessed it.

Before he could get close enough to the trough to drink it was necessary for several of the men spectators to remove the fencing from his neck, and it is now on exhibition near the place where he drank.

After he had gotten enough water he looked around as if wanted the fence to take it back.

REPUBLICAN CONVENTIONS.

At a meeting of the Committee of the Republican party of the Nineteenth Judicial District, held at the St. Charles Hotel in the city of Vanceburg, Ky., on Wednesday, September 6th, 1905, for the purpose of calling a Convention to nominate a candidate for Commonwealth's Attorney for said District, to be voted for at the November election, 1905, it was agreed and so ordered that a Mass Convention be held in each county by the Republican party in said Nineteenth Judicial District, and the same to be called by the Chairman and Secretary of the County Executive Committee of each county; and the said Convention to be held at the county seat in each county on Saturday, September 30th, 1905, at 1 p. m.; and that said County Convention in each county select delegates to attend the District Convention, which will be held in the Courthouse in the city of Vanceburg on Monday, October 2d, 1905, at 1 o'clock p. m.; that each county will be entitled to 1 vote for each 100 votes cast for President Roosevelt for President and 1 vote for each 50 votes or over so cast at the November election, 1904.

A. H. Parker, Secretary.

Chairman Nineteenth Judicial District.

Pursuant to the above call by the District Chairman, the Republicans of said county will meet in mass convention at the Courthouse, Maysville, Saturday, September 30th, 1905, at 1 o'clock p. m., to select delegates, as per the rule mentioned above, to the District Convention to be held in Vanceburg Monday, October 2d, 1905, for the purpose of nominating a candidate for Commonwealth's Attorney for said District.

Chairman Mason County Republican Executive Committee.

A. M. January, Secretary.

Pursuant to an order of the Mason County Executive Committee, the Republicans of said county will meet in mass convention at the Courthouse, Maysville, at 2 o'clock p. m., Saturday, September 23d, 1905, for the purpose of nominating a candidate for Representative to the Kentucky Legislature, candidates for county offices, and candidates for Justice of Peace and Constable in the several Magisterial Districts of said county.

All known Republicans have a right to be present and vote in said Convention.

Chairman Mason County Republican Executive Committee.

A. M. January, Secretary.

THE Cincinnati Reds have won a game at last. They actually beat HARRY GRIMES'S aggregation of Portsmouth lobsters.

THE L. and N. has been beseeched for years to change the train schedule on this Division so as to better accommodate the Maysville interests. It looks now, however, as if they were going to accommodate our merchants too much.

WHETHER the people of Kentucky will continue to vote by secret ballot or will return to the viva voce method is the question to be determined by the voters themselves at the coming November election.

Just now very little interest is being manifested in the matter, and probably not one voter in ten knows that the question will be voted on this fall. It is estimated that not over one-half the votes cast for candidates will be cast either way on the proposed constitutional amendment to change the manner of voting, but the majority of the votes cast on this question will control, and not a majority of all the votes cast on the election. In other words, there may be 400,000 votes cast at the November election, yet only 200,000 votes may be recorded for or against the proposed change of the voting system. If such be the case, then a majority of the 200,000 votes will control, and not a majority of the 400,000 votes.

The Legislature of 1904 passed an act providing that a vote be taken on the proposition so to amend the Constitution that the viva voce system of voting should take the place of the secret ballot system. On the passage of this bill, the large majority of the Republican legislators voted against it, so it is fair to presume that the Republicans will vote against the proposed amendment this fall and a majority of the Democrats for it, although neither party has officially declared itself on the question. The result is doubtful, but the best information obtainable indicates defeat for the amendment.

STRANGE ADVICE!

Dr. G. G. Green gives alert personal attention to his great humanitarian contract.

In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent size bottle of German Syrup, to consult their doctor. We did not ask them or urge them to use a large number of bottles, as is the case in the advertising of many other remedies. Our confidence in German Syrup makes it possible for us to give such advice. We know by the experience of over 35 years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. (New trial bottles, 25c.; regular size, 75c. At all druggists.)

TIME IS THE TEST

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon find out when misrepresentations are made, and merits alone will stand the test of time.

Maysville people appreciate merit, and many months ago local citizens publicly indorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says: "I value Doan's Kidney Pills as highly today as I did when I first used them in 1899. I got a box and used it for a pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until some four years later, or about a year ago. I again procured Doan's Kidney Pills at J. James Wood & Son's Drugstore and all symptoms of the trouble were quickly and thoroughly removed. Since then I have not noticed any signs of trouble of any kind arising from my back or kidneys. I most cheerfully re-indorse Doan's Kidney Pills, for they are certainly worthy of recommendation."

## BIBLE CONFERENCE

To be Held at the First Baptist Church in October

Maysville is to have another privilege in the opportunity to be given in October to hear speakers, noted throughout the South, in Kentucky and this vicinity.

While the meetings will be under the auspices of the First Baptist Church, all other congregations and the public generally will be heartily welcomed to all the gatherings.

The good done by similar meetings held by active Churches in other cities has been widespread. There is every reason why such a convocation may be exceedingly useful and send its blessings forth to remote corners.

The expectation is that these convocations will be held annually. The first one is to be from the 18th to 20th of next month.

Look for further notices of the excellent program which will be presented to the people of Maysville.

In Pegu may be seen an English sentry keeping guard over a Burmese idol. The Burmese believe the idol is asleep, and that when he awakes the end of the world will come. The sentry is there to prevent any one from entering the pagoda, which is his place of repose, and awakening him. His slumbers have lasted 6,000 years.

## WILL YOU HELP?

A Worthy Young Lad Wants to Buy an Artificial Limb

Master John D. Becraft, a sprightly lad of Aberdeen, lost his right leg by bloodpoison some time ago, and is now trying to secure enough money to buy an artificial one.

He is a manly little fellow, worthy of assistance, and his appeal should meet hearty response. A trifle from each will accomplish the result.

Donations may be left at The Ledger Office, and all sums, however small, will be gratefully accepted.

The C. P. and C. Line is reported to be figuring on some fast new packets for the Pomeroy, Charleston and Cincinnati trade, which will probably be built within a year or so. The packet company expects to some day own all the wharves along their travel.

The steamboat excursion season, which is drawing to a close, has been one of the most prosperous for those engaged in the business for many years, owing largely to favorable weather and the excellent stage of the Ohio, which prevailed during the summer.

The Monongahela River Consolidated Coal and Coke Company is now the greatest handler of soft coal in the world and owns the greatest fleet of towboats and other river craft ever assembled in the Ohio valley. It is prepared to handle 100,000,000 bushels of coal a year between Pittsburgh and New Orleans and St. Louis. The boats, barges and property of the company have been placed in fine shape for the fall trade, and when another big rise in the Ohio comes the company will be able to handle more coal than ever before.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## A TRULY IDEAL WIFE HER HUSBAND'S BEST HELPER

Vigorous Health Is the Great Source of the Power to Inspire and Encourage—All Women Should Seek It.

One of the most noted, successful and richest men of this century, in a recent article, has said, "Whatever I am and whatever success I have attained in this world I owe all to my wife. From the day I first knew her she has been an inspiration, and the greatest helpmate of my life."

Mrs. Bessie Ainsley

To be such a successful wife, to retain the love and admiration of her husband, to inspire him to make the most of himself, should be a woman's constant study.

If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, headaches, bearing-down pains, nervousness, whites, irregularities or the blues, she should start at once to build up her system by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound.

Following we publish by request, a letter from a young wife:

Dear Mrs. Pinkham: "Ever since my child was born I have suffered, as I hope few women ever have, with inflammation, female weakness, bearing-down pains, backache and wretched headaches. It affected my stomach so I could not enjoy my meals, and half my time was spent in bed."

"Lydia E. Pinkham's Vegetable Compound made me a well woman, and I feel so grateful that I am glad to write and tell you of my marvelous recovery. It brought me health, new life and vitality."—Mrs. Bessie Ainsley, 611 South 10th Street, Tacoma, Wash.

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Ainsley it will do for every sick and ailing woman.

If you have symptoms you don't understand write to Mrs. Pinkham, at Lynn, Mass. Her advice is free and always helpful.
